

Where we invest

Showcasing the reach of our portfolio

Our Ventures portfolio companies are driving innovation and growth in every corner of the UK.

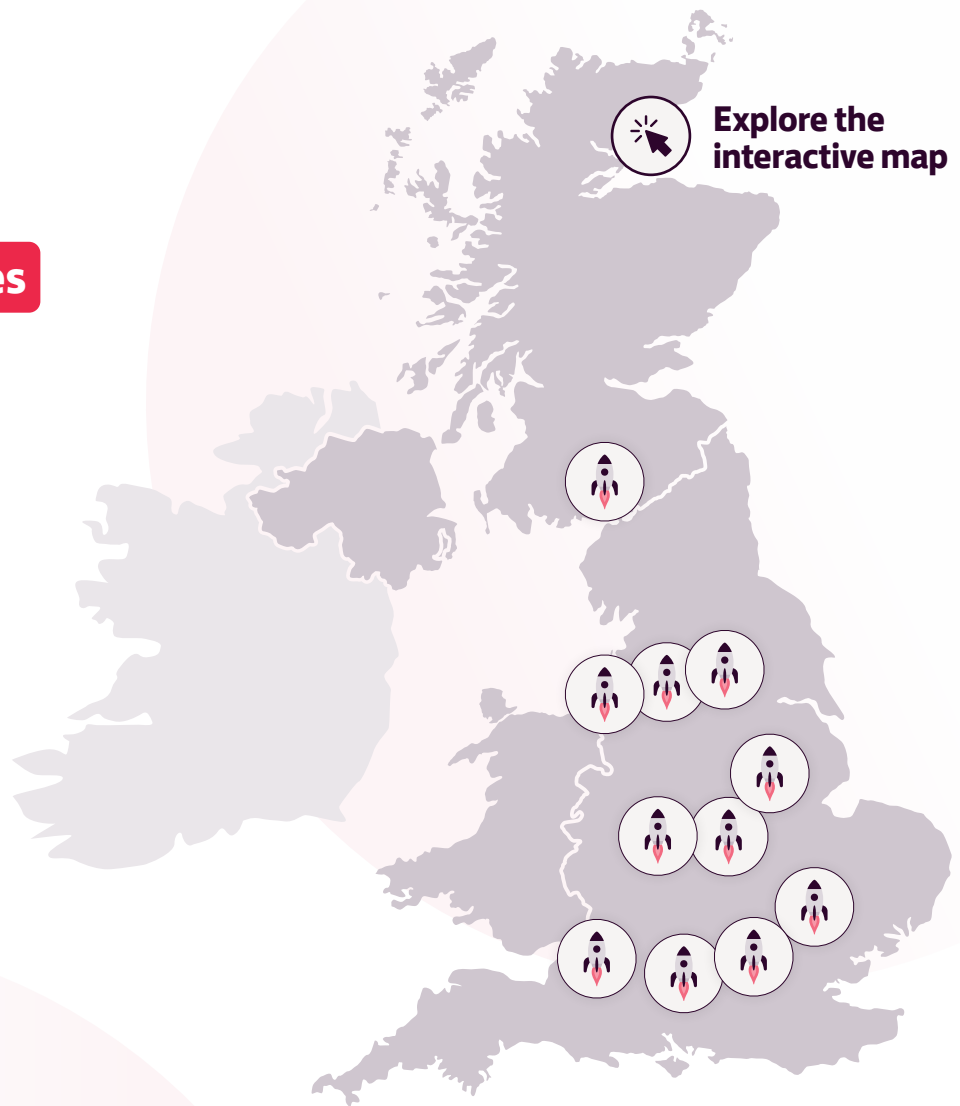

This map highlights the breadth of our nationwide reach and the communities we support. By showcasing where our companies are based, we shine a light on the local impact of our investments and the diverse ecosystems in which our founders are building, scaling, and succeeding.

**We're proud to partner
with some of the UK's
most exciting companies**

Our UK-wide presence helps ensure your clients benefit from well-diversified, meaningful investment opportunities.

From London to Lincoln, Bristol to Birmingham and up to Glasgow, Blackfinch Ventures manages over £120 million invested in UK start-ups. We're committed to supporting innovation across the UK – not just in the capital – helping businesses scale and thrive nationwide.

**Want to understand how our portfolio
can support your client needs? Contact
us for tailored guidance and insights.**

BLACKFINCH SPRING VCT

The Blackfinch Spring VCT invests in young firms at the growth stage of development. This brings a higher chance of success, alongside VCT tax benefits. We invest in firms that have already raised funding, gained traction and aim to accelerate the scale-up process.
